CHADALAWADA SCHOOL NEWS

Graduation! The final day of school! Teachers and students are excited and very busy preparing for final exams and activities.

For the graduating class, final exams are given by the state government and are administered at several centers in each city. Students are assigned specific centers to write the exams. Before going to the exam centers, students gather at the principal's office for a time of prayer and last minute instructions. Then they are sent with a blessing to go and do their best.

There are 17 students in the 2015 graduating class. Out of these seventeen, ten have attended Chadalawada School all the way from Kindergarten to tenth grade. It is our hope and prayer that the foundation they received at the Chadalawada School will continue to bless them all their lives.

"I have attended Chadalawada School for the past 12 years. I have all my childhood memories here. I am going to miss this school, the teachers, the facilities, and the friends I made. The most important thing I will remember is receiving Best Student Award three times. Also I received several trophies for competing in games with other schools. I am sad to leave this school."

For the past 14 years the students at the Chadalawada School have been eating their meals sitting on the floor. We think it is time for the cafeteria to provide tables and chairs for them to better enjoy their lunches. Can you help us?

Dear Friends in PRIA Ministry:

With grateful hearts we acknowledge your support and prayers for PRIA Ministry. God is blessing our humble efforts. He is touching the hearts of our teachers and students with His love in spite of the fact that we cannot teach Bible as a subject. Teachers and students have witnessed miracles through answered prayers. Our hearts swell with joy and gratefulness to God for using all of us in this ministry. Thank you
